

Aquaress®

Anti-bacterial Foaming Soap

Foaming soap with Triclosan for areas where skin hygiene is a particular concern

Features & Benefits

Aquaress® Anti-bacterial Foaming Soap leaves the skin clean, refreshed and conditioned

Anti-bacterial Action - contains Triclosan, a highly effective antibacterial agent, to combat commonly found bacteria, such as E-coli, Salmonella and Listeria

Instant Foaming - foams instantly to reduce the time spent creating a lather

Dermatologically Tested - proven to have a good compatibility with the skin

Effective - only a small amount is required to provide effective skin cleansing

Non-tainting - suitable for use in food contact areas

Saves Water - no water required to create a lather

Hygienic - use in conjunction with Deb 1000 sealed cartridge dispensing system

Highly Economical - provides up to 1660 hand washes from each cartridge

Caring - mild on the skin, with added conditioners to improve hydration and prevent drying of the skin

Quick Rinsing - rinses easily from the skin, leaving no soapy residues in the sink
