

Washroom Skin Care

Moisturising Soap with Antibac

Lotion soap with Triclosan for areas where skin hygiene is a particular concern

Features & Benefits

Aquaress® Moisturising Soap with Antibac is enhanced with natural sea minerals, to leave the skin clean, refreshed and conditioned

Anti-bacterial Activity - contains germicide Triclosan that has a residual effect, which increases with frequency of use

Mild Formula - contains mild cleansing agents to help keep the skin clean and fresh and emollients to help moisturise the skin

Hygienic - use in conjunction with Deb 1000 sealed cartridge dispensing system

Pleasant To Use - refreshing fragrance appeals to both males and females

Highly Economical - provides up to 1000 hand washes from each cartridge

Dermatologically Tested - proven to have good compatibility with the skin
