

# HOUSEKEEPING RANGE

## Aromatherapy Air & Fabric Freshener

**New**

With new exclusive 'Citrus Zest' fragrance

## FEATURES & BENEFITS

**Exclusive Aromatherapy fragrance** – a sophisticated blend containing citrus and coriander, with top notes of mandarin, ylang ylang and cardamom, supported by floral undertones of lily and iris on a base of sandalwood.

**Non-wetting** – atomises very finely and evenly in the air without wetting – ideal for use on fabrics

**Highly effective** – neutralises malodours, including tobacco smoke

**Versatile** – ideal for use in bars, bedrooms, toilets, etc. Also, can be used to freshen soft furnishings, carpets and linen baskets

**Uplifting** – the essential oils in the fragrance are recognised for stimulating the olfactory centre of the brain to refresh, energise and invigorate.

**Economical** – only a small amount required to freshen air and fabrics
