

HOUSEKEEPING RANGE

Aromatherapy Air & Fabric Freshener

New

With new exclusive 'Tranquility' fragrance

FEATURES & BENEFITS

Exclusive Aromatherapy fragrance – a sophisticated blend with top notes of tangerine and bergamot, supported by floral undertones together with the warmth of clove and cinnamon.

Non-wetting – atomises very finely and evenly in the air without wetting – ideal for use on fabrics

Highly effective – neutralises malodours, including tobacco smoke

Versatile – ideal for use in bars, bedrooms, toilets, etc. Also, can be used to freshen soft furnishings, carpets and linen baskets

Calming – the essential oils in the fragrance are recognised for stimulating the olfactory centre of the brain creating a sense of tranquility

Economic – only a small amount required to freshen air and fabrics
