

CATERING RANGE

Kitchen Cleaner – Heavy Duty Concentrate

**New
Improved**

Heavy duty concentrate
– dilute for performance
required

FEATURES & BENEFITS

General purpose– cuts through grease, oils, fats and most general food soilings to leave surfaces clean

Versatile – can be used on a wide variety of surfaces, including washable floors, walls, work surfaces, paintwork, machinery and equipment

Non-tainting – ideal for use on food contact surfaces

Concentrated formula – can be diluted for performance required:

Free rinsing – leaves a smear-free, sparkling finish

Level of Soiling	Dilution with Water
Light	1:100 (1%)
Medium	1:50 (2%)
Heavy	1:20 (5%)

Safety-in-use – does not contain solvents or caustic

Biodegradable – can be disposed of into foul drains
