

CATERING RANGE

Washing-Up Liquid

Concentrated washing-up liquid for manual dishwashing

FEATURES & BENEFITS

High foaming formula– quickly removes grease & fats, food deposits, food & drink marks/stains

Free rinsing – leaves a smear-free, sparkling finish

High viscosity – aids dilution control and helps minimise wastage

Concentrated formula – in normal use can be pre-diluted 1:200 with water for maximum economy in use

Neutral pH – ensures it is mild and gentle on the skin reducing the risk of any possible irritation

Versatile – ideal for use on kitchen utensils, cutlery, crockery, windows, walls and all wipeable work surfaces

Compatible – suitable for use in soft and hard water areas
