

WASHROOM RANGE

NON pDCB TOILET BLOCKS

New

Non-Biological Yellow Urinal Blocks With 3-in-1 Action

Odex Non-pDCB Toilet Blocks will not only pleasantly fragrance the washroom, but also clean urinal channels and drains with a specially developed detergent action – to give effective odour and cleaning control.

FEATURES & BENEFITS

3-IN-1 ACTION:

1. Deodorising action – freshens the washroom when placed in urinals and channels.

2. Cleaning action – detergent formulation cleans urinal surfaces and drains.

3. Controls limescale – specially formulated to inhibit limescale build-up.

Water soluble – delivers cleaning agents each time the urinal is used and avoids blockage of urinal traps.

Provides economy in use – saves water, time and money through enhanced cleaning action.

Long lasting perfume – perfume lasts the life of the block.

Fresh fragrance – pleasant citrus perfume overcomes malodours.

Helps prevent drain blockages – special formulation helps control limescale, uric scale and calcium deposits, whilst cleaning action helps avoid build-up of solids.
