

HEAVY DUTY HAND CLEANERS

Tufanega[®] Paint & Resin

Cream hand cleaner for removing polymer resins & paints

Features:

Effective - powerful formula is effective against a wide range of resin based soilings, paints and inks

Polygrains - non-abrasive scrubbing agents help remove ingrained soiling

Special Perfume - leaves hands pleasantly fragranced

Non-flammable - making it safe to use and store in many locations

Conditioning - cosmetic quality moisturiser helps guard against skin dryness

Surfactants - aid soiling removal and allow a rapid and thorough wash off

Consistent - easy to rub in for rapid cleaning and instant results

Pack Sizes:
