

Fragrance ranges

The **TimeMist®** fragrance offering includes the expansive **TimeMist®** Classic and evocative **TimeMist®** Concept ranges, providing suitable fragrance solutions across a wide range of applications.

Classic Fragrance Range

With 13 distinct fragrances, the **TimeMist®** Classic range incorporates a high concentration of quality essential oils and an active odour counteractive to combat bad odours. The comprehensive range provides a wide choice of quality fragrances ideal for use in all washroom environments.

Green Apple, Lemon Fresh, Baby Powder, Floral Bouquet, Vanilla, Orange Burst, Nirvana, Island Mango, Classic Cherry, Fresh Linen, Oriental Spice, Tropical Flower, Odour Neutralizer.

Concept Fragrance Range

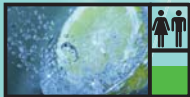

The **TimeMist®** Concept range blends together a variety of essential oils to provide an evocative fragrance to help stimulate the senses.

Each fragrance has been developed specifically to provide an invigorating aroma across a variety of intensities whilst also providing suggested applications more suitable to feminine, masculine or neutral environments.
